

2009-2010 Seasonal Preserve Operations Schedule

The chart below shows which preserves are operational during the off season, and the levels of service they will offer. Please remember that these operational decisions are made so that maximum resources can be dedicated to the preserves that require them most. You will note that some preserves also offer an Annual Site program; please call those preserves directly for information.

A few of the parks are seasonally closed. If you have made reservations for any of these preserves after the indicated closure dates, please contact Reservations so they may assist you in choosing a substitute preserve.

DEFINITIONS:

Limited: Preserves offer campsites and restroom facilities only.

Moderate: Preserves offer campsites, restrooms, at least one lodge and activities on weekends.

Full Service: Preserves will operate all facilities, including pools and spas, and will have at least weekend activities.

Weekends Only (wo): Weekends are considered from noon Friday until 6 p.m. Sunday.
