

2011/2012 Seasonal Chart for Preserves

The chart below shows the seasonal schedule for the preserves and the level of service provided at each preserve during its “off-season.” Some of the preserves are seasonally closed. If you have made reservations for any of these preserves after the indicated closure dates, please contact the Reservations department so we may assist you in choosing a substitute preserve. Please remember that these operational decisions are made so that maximum resources can be dedicated to the preserves that require them most.

DEFINITIONS:

Limited – Preserve offer campsites and restroom facilities only.

Moderate – Preserve offer campsites, restrooms, at least one lodge and activities on weekends.

Full Service – Preserves will operate all facilities, including pools and spas, and will have at least weekend activities.

Weekends Only (wo) – Weekends are considered from noon on Friday until 6 PM on Sunday.
